*I've been missing you every since you left.....
Thanks for all the lessons taught. Thanks for always sharing your experiences. Thanks for playing in the dirt, gardening. Thanks for teaching the importance of time management. Thanks for sharing your time with me... I know it has definitely made me a better person. So long for now, I'll see you on the other side. I hear the streets are paved in gold. It's always howdy and never goodbye.*
