“ My grandmother (Freda) is what I called her. She was a humorous, calm cool and collective woman. Short in stature however carried a big heart. My most fondest memory of her was when we would attend a Detroit Tigers game. Which by the way was her favorite squad. One particular game she decided to admire an outfielders back side. “ Ew wee baby” she shouted out. I was so shocked and we looked at each other and laughed. I didn’t even want my hot dog anymore. Those are the memories I carry of granny! Those are the memories we all should carry along this path of life. You will be missed and remembered. Until we meet again. Alfreda... “Take two and call me in the morning “! Love Coco
