Loved coming over with David when we were kids and playing video games or exploring the apartment building. You were loved and will be missed.

“ Grandma was a true Golden Girl who loved fine things and loved to give to everyone. Out of all the Golden Girls, she considered herself to be "Blanche". She was vivacious, funny, and outgoing. She loved her crossword puzzles and kept a record of everyone's name and phone number since the 80s. She truly loved us and made sure we had very nice gold pieces to wear and I will always have very good memories of her. She was a true inspiration!

“ *Grandma. A true Angel, way before she became a Angel. Classy sophisticated stylish caring analytical. She's one of those people you wish the world made more of. Every morning early she's up reading the bible getting the news paper watching HSN or QVC. Usually on the weekend she's out with my Auntie's her sister's and daughter, going to the beauty parlor getting their nails done or out to eat. Grandma celebrated tons of birthdays and holidays. Grandma always made birthdays and holidays feel special. Grandma just had a genuine good spirit in her and great taste in everything. Grandma love to talk on the phone usually with her sister's speed talking going a mile a minute. Grandma was so intelligent and analytical just a all around great person. Grandma will truly be missed and loved*
