“ *Cousin Catherine I will never forget the time you took us to Hitsville U.S.A. as children. We actually had the opportunity to stand in Studio A while the Temptations were recording. You lived a full and beautiful life.*

“ We are deeply saddened by the passing of Miss Catherine and want to express our heartfelt condolences. She was more than a close family friend—she was family. Her warmth, wisdom, and sharp wit brought so much joy into our lives, and we will always cherish the memories we shared with her.

Miss Catherine and our mother had a beautiful bond, speaking every day, sharing laughter, stories, and the kind of friendship that spans a lifetime. We will always remember the late nights playing Spades, where her quick humor and competitive spirit made every game unforgettable. She had a way of speaking her mind with honesty and grace, and she made a lasting impact on everyone who had the privilege of knowing her.

Our hearts are with you during this difficult time. Please know that we share in your grief and will always hold Miss Catherine close in our hearts. May her memory continue to bring comfort, and may the love she shared with so many live on in all of us.

With deepest sympathy, Miss Peggy And The Entire Walker Family
