“ I can't believe you're gone. Football is on tonight and I had the instance to call you to see if you were watching the game at your boys house with the sports bar theme in his home. Fam I can't start to feel the pain you are experiencing but I do know Cedric loved his family so much he wanted to leave the road to be close to his momma siblings ,kids and grandkids. He had an aspiration to help others beat their legal cases by educating them on their constitutional rights...that was his passion and what he was most proud of doing. Over the years Ced had expanded his vocabulary through vigorous reading and taught me somethings about the world. Loved you cuz. You were bigger than you could ever imagine. Miss and love you. ❤️

“ Auntie Thelma, Renae, Heidi, Sam & Sie, My heart aches for you all. Never in a lifetime would I have imagined that we would be here mourning together the loss of Ced. He was a son and brother to you. But to me, he was my cousin who had an imagination that was unmatched. I remember his dreams of wanting to be an airline pilot and how he wrote scripts for movies. He was there for me as a teen (hanging at the ice cream parlor on 7 Mile) and young adult (helping me to move countless times). Although he no longer with us, I will cherish all the memories and thank God that his soul is at rest.

Love always,

“ To The Bryant Family, Where do we begin, our hearts is heavy and we are praying for all of you . We've known each other 48+ years. We all started off as neighbors and then we became friends that later grew into being each others extended family. Cedric and your mom stopped by to see my mom and said they were going to stop back by. We were so happy to hear from him. The last time we communicated with him was on facebook less than a week ago. He happily told us he was moving back to Detroit. We are in disbelief. If there's anything that we can do, we are only a phone call away!  
Love, The Bennett Family
