“ We were blessed to meet Cedric one sunny day when we were at a traffic light, he rolled his window down motioning to us to do the same. He asked "are you going to Waterford?" He was in his gorgeous Corvette and we in our Corvette and he saw the race car id circle on our car. A quick, "yep" and he followed us to the track. From that point on, it was a pleasure to see him and enjoy the Corvette Club's events with him and family. Shocked and so sorry to learn of his passing. May his family know they are surrounded by loving family and friends at this time in their lives and always. Cedric was always kind and giving. To the family, reach out to the great caring people who were blessed to know you and Cedric. It is your time to be comforted. May you find peace in the memories you will cherish forever.

“ Dear Butler Family,

We are deeply saddened by the loss of Foster/Mr. Butler. He was such a bright light in the world, always radiating warmth and kindness. His unwavering good mood and eagerness to help anyone in need were truly inspiring. We will always remember that infectious smile he wore as he selflessly lent a hand.

Our memories of Foster are filled with gratitude for his generosity. All those days and nights he dedicated to Scouts, guiding and supporting the next generation, will never be forgotten. And how can we ever thank him enough for opening up his lodge, sharing his love of skiing with all of us? Those were such special times.

Foster was more than just a father and friend; he was a pillar of the community, a source of joy, and an example of how to live a life filled with purpose and love. He will be profoundly missed.

Our hearts go out to you during this difficult time. May the beautiful memories you shared bring you comfort and peace.

With heartfelt sympathy,

The Ventura Family

“ Foster (as he was known to his Michigan Alpine Competition Committee ski racing friends) was a charming individual and a fierce competitor as an Alpine ski racer. He was admired by all and will be missed by the group for his athleticism, his personality and his sense of humor. Deep peace of the running wave to Foster and to all who knew and who loved him.

“ Dear Andrew and Family,

We were deeply saddened to hear about the passing of your father. He was an incredible part of Troop 743 and our scouting community and his dedication, kindness, and willingness to lend a hand will be remembered by everyone who had the pleasure of working alongside him. His presence brought a sense of warmth and support that made a lasting impact on our troop.

During this time of sorrow, we pray that the Lord, who is rich in mercy, brings you comfort and peace. May your father's soul rest in the loving embrace of God, and may the hope of eternal life provide you with strength. We are reminded of Jesus' words, "Blessed are those who mourn, for they shall be comforted" (Matthew 5:4).

Please know that you and your family are in our thoughts and prayers. May your father's legacy inspire us all to continue in faithful service and fellowship.

With heartfelt sympathy and prayers,

Trisha Wisniewski and Diesel
