“ *This saddens me very much to see this!! Mr. Keeling was my therapist for 6 years. He faithfully called me every Tuesday 3pm sharp.. I lost my insurance for a year and a half and he continued to talk with me.. Great man!! I’m going to miss my friend dearly. I wish I would’ve known he passed away, I would’ve paid my respects to him. I begged the hospital to just let me know that he was ok!! I’ll never forget our conversations. Helped me get through a lot of hard times with great advice!! I will forever be grateful. TIL we meet again!!*

“ It is with great sadness to learn of the passing of my fraternity brother, Tony Keeling. Tony was a graduate of Virginia Union University. While studying at Union, he became a member of Omega Psi Phi Fraternity Incorporated, Zeta Chapter. He was a great contributor to the university and has attended every homecoming celebration since his graduation. Tony was a sharp dresser and was always suited up. Bro. Tony, you will be greatly missed my your Zeta Chapter brothers and all of your good friends at Union, but your memories will always be cherished. Rest in peace my brother.

*Richard Lambert and your Zeta Chapter brothers from Virginia Union University .*

“ I cannot believe this is how I found out about my uncle services from googling his name and this is unacceptable when he has blood relatives living. This is very disrespectful and I am appalled by this very unprofessional on someone’s part and very disrespectful.
