“ *Dearest Belinda and family. I was deeply saddened to hear of Charles passing and I extend my heartfelt condolences as we all mourn his life and reflect upon his life. Charles poured great energy into giving back to the community as well as to the families and the youth who entered the doors of Don Bosco Hall. His contributions to each youth/family enriched the fabric within Wayne County/City of Detroit in lasting ways. While he will be sorely missed, his spirit will live on in those whom he crossed paths with. I am better because of the 23 years I worked for Don Bosco and under his leadership. It is my prayer, the cherished memories of your time together will help to temper your grief. In the days ahead, please know you all will remain in my prayers.*

When I lost my wife to Cancer in '09' again my friend was there, 'I Want You Back's not at the expense of the children, so he created a new position for me to return. Born two days apart, this was truly my brother - I will see in the after. Love you bro as well s Belinda and the children. Much Love from me n the entire Dewberry clan. Pray Daily Your Strength. 💕💕💕🙏💪☀️

“ Charles and I met 30 years ago through our work with the juvenile justice system and youth. We share a passion for serving however although probably close to age Charles was a role model because he exemplified so many positive humanistic qualities it was mind blowing. As the former Director of Flip the Script I called on Charles numerous times to serve as a keynote speaker frankly because he was the BEST and I wanted my youth, young men and conference attendees to have the best Detroit has to offer. That was Charles Small. May GOD bless his journey to paradise.

“ *Mr. Small was a quiet but discerning man. I always respected his piety and genuine concern for boys and children in general. He was pivotal to the Cody Rouge community. His leadership spearheaded our current resource center and action alliance. The center became the launching pad for my career as an entrepreneur and educator. Though I was untrained, he saw my passion in wanting to help youth and gave me a chance. The chance created the foundation that I stand on as I teach youth in DPSCD. Blessings to the Small family. I offer my sincere condolences and pray that the God of all comfort comfort you all and grant you all with the peace that passes all your understanding.*

“ First I will like to send my condolences to the family. Mr Small had a profound impact on my up bringing. While in Don Bosco Hall as a resident he allowed me the space to grow as a young home and gave me a home. His program gave me a foundation of support and taught me structure. He believed in all young men and would go the extra mile for them.

“ Charles Small certainly was a man who dedicated himself to helping others young and old. I met Mr Small as the Executor of Don Bosco Hall Youth Development Alliance. He was the thread that connected four neighborhoods across the city under a unified effort that connected nonprofit organizations. What a giant of compassion for all. Mrs. Small and family his legacy will live on in the lives of those who work in the field of nonprofits. May the work he’s done speak for him. B. Hoston Brightmoor neighborhood

“ An awesome man of God indeed. I’m sure “well done thy good and faithful servant,” is what he heard! Truly my family and Save Kids of Incarcerated Parents, Inc., were truly blessed by Mrs Small. Through his tenure as CEO of Don Bosco Hall, he made a way for S.K.I.P., Inc. I thank God that he will live on through his family and his recent book “Becoming a Positive Change Maker.” To the Small Family I thank God you know Him and I pray for your strength during this time of grief.
