“ *We extend our deepest condolences to Michele Bryant and family on the loss of her sister, Cheryl. Anyone who knows Michele, has surely heard the story of Michele being the youngest in the family when her parents relocated from her beloved Detroit, MI, but how Michele was able to maintain her roots by spending summers with her elder siblings who were “grown enough” to remain in the area, attesting to a close, loving relationship filled with precious memories that God will allow to strengthen you throughout this difficult time.*

“ May we offer our sincere condolences to the Hollie family for your loss. Losing a loved one is one of the most difficult things in life to deal with. Lovingly, the Bible assures us that God sees your pain and promises a beautiful future where he will "swallow up death" and "wipe away the tears from all faces." (Isaiah 25:8). We hope your precious memories will console you in the days ahead. And, as the days and weeks pass, and you return to life's routine, may you continue to feel comforted by the love and support of family and friends.

“ To the Holly and Bryant family,
I had the chance to meet Cheryl once when I relocated to Michigan. Both Cheryl and Perry were so kind and welcoming. Michelle speaks with such love when discussing her sister and was kind to introduce us. My heart goes out in sympathy and many prayers are said for the covering of the family during this time. Michelle, we love you.

“ To the Hollie and Bryant Families - I met Cheryl several years ago and got to know her through her sister Michele. In meeting Cheryl and through Michele’s eyes, she was adored, loved, full of laughter and joy. I admired the relationship Michele and Cheryl had; a great example of sisterly love. May God provide the strength and comfort to the family to get through this heartbreaking time.

Sincerely,
Rena L. Monk

“ Many of you know her as Cheryl. But I called her Niece. We are family. We often had these private conversations that she had to pull me to the side for. She has traveled many miles to support many families and friends. Couple of years ago my sister and I were traveling constantly to Michigan care for our dad. She called us regularly saying "you know in here for you" when our dad passed away she was on the phone with us saying "U know you guys are going through let me know what I can help with I know you a big girl now but in here for you" That was her always willing! I'm going to miss my cousin. I got another Angel looking after me.
