“ *Christina came into our lives only recently by joining our bowling team. In the brief time that God allowed us to share her, I feel so blessed to have seen her smile and hear her warm, loving words to her husband and about her children. My family's thoughts and prayers are with her family. We pray for your comfort and strength as you find a way to make sense of your loss and fill the void that may have opened due to her passing.*

I worked with Christina briefly till she became pregnant with Sydney. What a joy both her children were to her. I am praying for peace for her husband and two beautiful children. And may Christina rest peacefully in heaven.
