“ You left your rose petals on my heart the day you left this place. I stare at the sky to watch my Angel return home. Yes I am sad because you aren't home joking and cooking with your family any more. No more photos calls and visits but memories of you I share. Just wanted to stay I can't be selfish by wanting to keep you here. You are extremely loved so till heaven opens up a spot for me I'll hold on to your love down here. Porchá P
