“ Very saddened to hear about my dear neighbor Cindy. She was always so sweet and cheerful. We enjoyed many swims at the pool with her daughter. She will be dearly missed. Fly high my angel and be the best and strongest angel! To Cindy's children; yes this is such a tragedy and I know your hearts are breaking. We send our deepest sympathies to you both and the rest of Cindy's family. She will be forever in our hearts.

We will miss her beautiful smile! God Bless and keep the dear Lord in your hearts and pray for strength to get through this - he will. I know this personally myself.

“ With much sadness in my heart I will send condolences to her lovely family. Cindy was amazing everytime I saw her she was smiling she was a little pint size firecracker. I remember when I met her walking in front of the apartments she had to go to the doctor's cause she used art glitter instead of makeup glitter cause she wanted to shine that bright. Swimming at the pool with her and her daughter and her fiance I will never forget she is truly missed but we shall meet again I will miss u love u girl
