*I was just informed about Clara and I'm truly saddened about her passing. She and I worked together for many years at Ma Bell and we enjoyed each other's company. Her laugh was so infectious that when she laughed everybody laughed. Her memories will always be with me. My prayers are with the family. Judy. Sterrett.*

“ Hey Andrena,  
I just want to say that I remember Mrs. Clara as a very classy and kind person. Her smile always made me feel welcome at your home.  
I remember Greg was also very nice and totally into his cars. I remember him being much of what you'd always talk about.:)  
I'm very sorry to see them both leave us so soon. I pray that you and the family will feel peace as the time goes on. Feel free to reach out at anytime. Your friend, Tia

“ Andrena, this has definitely been a very hard start to this year. I pray for your strength as you go through this tough time. Mrs. Clara was like a second mom to me and we all hung out together when I came home on leave from the military. She always smiled and was just a joy to be around. We spoke almost every year on our birthday, and tried to keep in touch as much as possible. I miss her so much and want to keep her memory alive! I am here if you need me and know that I will always have your back. -Shanae

“ *To my mother; you were my Best Friend, my heart & soul, my everything. I couldn't ask for a better person to be my parent! I have so many wonderful memories! One of my fondest memories is when you would get off of work early to surprise me. We would go to lunch/dinner, shopping and the movies! Spending the day with you made me want that feeling forever! Although, I miss you dearly I know that you're my Guardian Angel now! Rest In Heaven my lovely Mommy - Love, Swyneè*

“ Nuki, words cannot express how much I'm going to miss you. My heart is SO broken knowing that I'm not gonna see your sweet little face or hear that infectious laugh that brought me joy. There are countless good memories between us because you've been there my entire life. You were such a huge part of my making my childhood SO much fun! I remember riding around in the backseat of your Trans-Am and your Challenger with the windows down in the summer listening to good music. All those Saturdays when you took me, Raimy, and Greg to the movies were some of THE best times ever. I LOVED going to the movies so in part, because of you, it's why I do what I do in life now. ... You will ALWAYS be imprinted on my heart. I love you, love you, love you and you will be DEARLY missed by me and the rest of the family. Rest well auntie.
