“ Cleveland was such a wonderful man! We will miss his smile and hugs and positive attitude always.
Comerica Park is just not the same without seeing him at the games. Mark and I send all of our love to the entire family at this most difficult time ❤️

Mr. Jackson was more than just a neighbor, he was a quiet guardian, a kind presence, and a true example of neighborly love.

He always kept a watchful, caring eye on my home and my children as we came and went. His steady presence brought comfort and a sense of community that is rare and deeply cherished.

I was blessed to be nestled between the best neighbors, and Mr. Jackson stood out as someone who led with grace, humility, and heart. His beautifully kept yard inspired me to take pride in my own, always hoping to make him proud to live next door to me.

I will miss his friendly waves, our short but meaningful chats, and the warmth he brought to every interaction.

You will always be remembered and will forever hold a special place in my heart and in the hearts of everyone who had the privilege of knowing you on Mercedes.

Rest in peace, Mr. Cleveland Jackson.

With sincere gratitude,

Your next-door neighbor, Sonja Floyd

Cleve...a great guy!!! My dad worked with him way back at the George P Johnson company. Cleve is a special guy. Him and Catherine always made us feel like family. We enjoyed seeing his snowing Christmas tree. Always amazed me how neat his Christmas decorations were. His laugh was infectious. He enjoyed giving my dad the business. Cleve was always a man on the move. He was proud of his grandson Jackson. Pride and joy. There are so many things I could write about him... Just know he was one in a million and will be missed. God bless to all!! Love ya Cleve!! Jim and Cindy Friess

“ *Cleav was such a nice guy when I visited Detroit he went out of his way to make sure we saw everything and enjoyed ourselves. When we went out to dinner I had to sneak to pay the bill. His family welcomed us as if we were family. He will never be forgotten and I offer his family my condolences.*

My cousin Cleveland Junior, we would have talks about life on the farm and his role in keeping things going until my uncle came home from the Korean War. A very dapper dresser. He was always sharp as a tack when he came home down south.

I will miss our phone calls and our talks about the Detroit Tigers baseball team.
