“ *Dear Cynthia,*

I know your heart is heavy right now, and no words can truly ease the pain of losing your mother. But I want you to remember this: the strength, grace, and love she poured into you will never fade. They live in your spirit, your kindness, and the way you move through this world.

You are a reflection of her light — and that light will continue to shine, even through your tears. Grieve as you need to, but never doubt that you have everything within you to carry her legacy forward.

Hold on to the beautiful memories, the lessons, and the love that shaped you. Your mother's spirit will always walk beside you, whispering encouragement when you need it most.

You are strong, you are loved, and you are not alone.

I pray you and yours find peace in Jesus's name. 🙏 Amen

“ Memories of Clotielde McCain extend from our children “Cynthia and Erica “meeting and discovering we were natives of Mobile, Alabama and later learning that her sister Carol and I were friends. She was a truly special and amazing lady. Hosting many in her home, a warrior for the rights of others, a support to her siblings, and a great wife and mother to her children and grandchildren. Clotielde’s love and kindness will never be forgotten.” My condolences to the family. Viola Bonner Woodford and Family.

To the McCain family, words will never be enough to explain the bond that the Langford's shared with your family. From Godmother, to best friends, to co workers and every connection in between. I can't begin to express the bond that the two families had in common. Never, ever was any harsh feelings towards each other. To ALL of the family members you have our deepest sympathy and respect. We will miss Clotilde.
