“ It was a privilege to have met and known Clovetta when I first stepped into the Community Fellowship SDA church. She greeted me with a warm and captivating smile so after that visit, we became very good friends and she treated me like a sister. She has been very inspirational as Sabbath School Superintendent with a wealth of experience in that field. Shortly after that visit she always looked forward to my coming time after time and had asked me on numerous occasions to help out in Sabbath school. She then assigned me to do the Song Service every Sabbath when I came to which I enjoyed very much and there were other times she would ask me to plan on doing the Sabbath School program in advance. She also loved to entertain her friends and so I was invited to her house after church one Sabbath and the food was epilicious I also had the privilege of spending a few weeks at her home just last year and the friendship was deepened more along with Monica and Annie. I enjoyed their home and was happy to be a part of it, and the time spent was short but enjoyable. Even though she is gone, she would not be forgotten, so as we continue to journey on this side of the vineyard, let us all remain faithful, so we will all be reunited together on that Great and Gettin' Up morning. R.I.P.

“ Many knew her as Miss Clovetta , I knew her as Miss Blossom . She was like a mother to me. I call her my second mom. She knew me since I was a little girl & every time I see her she would tell me she loved me & also tell me about the Lord & invited me to church often . She was very genuine, kind , compassionate, diligent, hardworking, strong & positive woman . She was a woman of God , she loved the Lord & her family. She always was there when I need words of encouragement & I need prayers for anything. My family loved her & she loved us all. She was a beautiful woman inside & out .she always have a smile on her face no matter what . She will be missed . I know she's @ peace cause she was a woman of God ..

Miss Clovetta was a very kind and loving person. When she said the words "I love you" she meant it. So I'll just say "I will always love you Just as you have shared,supported many in prayer and fed a lonely neighbor. She prayed with me over the phone as she always did before we say I'll see you soon. Her grandsons Julian and Jalen were blessed and she adored them. Karena your grandmother poured her heart and soul into you. Always proud of your accomplishments. But most of all her love for her daughter's Monica and Marlene was unconditional. Miss Clovetta light will always shine. She always appreciated all the smallest rose, plant, flower.We often had a cup of tea. I'm not saying goodbye, I'll just merely say"Save a place for me. Let's have a cup of tea and talk about Jesus". Forever in our hearts. Tamia, Maia and Gia. Mr Brown and Tammy. Rest now, my friend. "Well Done" 🌹🌹🌹🌹🌹

We called her Mom. Miss Clovetta was one of the kindest, most honest and dedicated person you'll ever meet. Her smile was contagious! Her personality represented Christ. I can recall so many wonderful moments with her, but one thing that was consistent whether it was a phone call or a visit she would always say I love you. When she said I love you she meant it, her words were not empty. The first time I met her she treated me as though she knew me for years.

She always looked out for Derron, always checking in on him and praying for us. Even when we moved she still called to let us know she missed us. Her life was like a bee that pollinates, spreading the love of Christ to all those she came in contact with. There was never a conversation that she did not include God. I remember one evening Monica, myself and a couple others convinced her to go out for dinner, man she resisted, but she came, and we had a blast. She was a wonderful person.

We know it's hard during this time but she's not gone, simply resting until she is called by her maker. Let us purpose in our hearts to live a life pleasing to God so we can see her again soon.

Clovetta, you have fought a good fight! Rest in peace! Your always in our hearts. The Baker family-Tanisha, Derron, Zachary.
