“ *To Cora Lee Grant’s Family, and close friends, You have my deepest Sympathy. Cora and I have been best of Friends for almost half a Century. We were there for each other, many times, in the hour of need. I think that I may have become such a good friend of her Children and Grand Children that some of them may have regarded me as part of their Family. What a Great Honor. She had to leave us and be with the Lord. I will never forget her. I don’t know how anyone who knew this Beautiful Lady, who would help anyone, could ever forget about her. Rest In Peace Mother Grant.*

“ *Cousin Cora, was the kindest person I have ever had the pleasure of knowing here on earth! She was introduced to me through my mother around 2013 and became a dear friend for life. After speaking to her on the phone several times, I had to meet her in person (I live in Virginia). Ms. Cora welcomed me with open arms and unselfishly sat down and told me the story of my father and Grandmother with whom she knew up with in Opelika, Alabama. My father is her first cousin, so the love she had for him was extended to me. She welcomed my husband and I into her home when we visited and baked us her famous banana bread. :-) Yum!! You will be missed my "Dear Angel". I will love you always. God has received a true "Angel" into his kingdom.*
