“ *My beautiful sister Cordial, the news of your demise came as a shock to me. I know death is inevitable and no mortal can escape, however, I never for a second believe that you could leave at this tender age. Your life was a blessing to humanity. Thank you for your kind heart and contributions towards the entire family. You are much loved till eternity. Although we are devastated about your death, I know that your maker has prepared a beautiful place where there would be no more illness, grief and sorrow. You fought a good fight and your reward awaits for you in heaven. May the angels receive you Afia, may you have rest in the bosom of father Abraham until we meet again.*

Rest in peace my younger sister.

“ *Afia, I still cannot believe that you are truly gone!*

Death for real is cruel.

You were a light in the family and your absence is deeply felt by the entire family.

I pray that the good Lord grants you the best resting place till we all meet again on the day of resurrection.

Rest in perfect peace my lovely cousin.
