“ Words can't express my deepest sympathies. We were so close at one time. I hope this isn't true 😞 but I will leave a message anyway. So so sorry 😞

“ 🌹 Today, I said goodbye to one of my best friends of 30 years. Life got in the way, and though we couldn't meet often, our phone calls, filled with laughter and life updates, meant the world to me. I really wish I had made more of an effort these last couple of months. It feels so surreal not to reach out and ask how you are anymore.

Thank you for the memories, the laughter, and for always being there. You will be deeply missed. Rest easy, my friend. Love you! I wish I could give you one more hug and see that smiling face of yours. 💔 ✨

“ Our dear niece sometimes in this life we are thrown a curve that knocks us off our feet. The lost of you is one of those times. The kind and gentle spirit that you shared will always remain with us. Even though your Baltimore family was miles away whenever we were together it was such a time of joy and love. Rest Crystal and know that we love you eternally ❤️ Uncle Daryl and Aunt Cynthia

“ I am so very sorry to hear about Crystal's passing. We shared many good laughs when we worked together. As painful as it is for us we can't even imagine the loss to the family. A prayer sent up for her and for at least some comfort for the hearts of her loved ones. She was a gentle soul and a fantastic woman.

“ I remember "our Crystal" growing up with our other beautiful First Baptist youth, to include my late daughter Kelli Weatherly and my son, Teddy Weatherly. Crystal was ever so wonderful and fun to be around...I truly enjoyed watching her grow up. Her quiet spirit and loving smile was very special. Our hearts are broken but we thank God for her presence in our lives. Love and Blessings to Albert, Margaret, Stacy and the entire Gamble family...in peaceful prayer and love for you! Valerie Weatherly and family
