“ Dear Tiffany,

I'm so sorry to hear about the passing of your mom. My heart truly goes out to you and your family during this difficult time. I had no idea—my mom shared the news with me, and it was such a shock that deeply saddened me.

I remember when I first met you, Tiffany, and your mom. You were in elementary school, and I used to braid your hair and add those pretty, colorful beads. Your mom always greeted me with a warm smile, and our conversations were always so pleasant. She had such a kind and gentle spirit that left a lasting impression.

I pray that God surrounds you with strength, comfort, and peace as you hold onto the beautiful memories you shared with her. Love you dearly. 🙏🌸

Rest in peace, Cynthia. 🕊️

“ To my dearest Cynthia,
I don’t even know where to begin because I still can’t imagine this world without you in it. You started off as my babysitter, but quickly became so much more you became one of my closest friends, my biggest cheerleader, and truly part of my family.

I’m going to miss that 12:01am birthday call every single year, because you had to be the first to wish me a happy birthday. I’m going to miss your constant love and encouragement in everything I’ve done. Thank you for being there when I needed you most, especially with Jaline, when I didn’t have anyone else. Thank you for loving me and my family the way you always did.

Lord, I am so grateful that I was blessed with such a beautiful soul in my life for 30 years. Cynthia, I love you, I will miss you every day, and I will carry you in my heart forever. 💔

Forever Your Friend,
