“ *Hey Hon! I remember as a youngster, how I thought u were such a cool big cousin. The way u held your cigarette, the way u strutted around? Later..your warm smile and big laugh, your killer seamstress skills (thanks again, btw). Just a beautiful spirit all around! U will be missed....I love U...Toni*

“ I Thank The Lord for Cynthia, my Big Girl Cousin It just seems that ever time I hit a rough patch in life I would get a call or answer my door and there was Cynthia..never had to tell her what I needed to hear or do, she just knew. So Thank You Cuz for being my beacon of light when life got dark, I'm a big girl now and I got this...so RIP my Beacon and I'll See you on the other side some day I Love You
