“ First Cousin Daniel Reid who came "home" to Wild, Wonderful, West Virginia every summer to see his Grandmother Martin and all his first cousins Martins. Remember all the records your family brought to teach your hillbilly cousins the new dances, the latest jokes, the newest back woods tricks and the latest trick in the creek to enjoy swimming. We had so much fun each summer enjoying the summer sun and running up and down the hillsides even though we had to work in the garden and can vegetables. All good things must come to an end because we were taught from an early age that you must make your own way in the world and that we did by earning money at odd jobs to be able to afford college. Well needless to say, all the cousins have made it to High school graduation, college, trade school and retirement. Slowly, one by one, we are all going to live out God's promise. We hope to see you there!

Your Cousins Roberta and Jeffrey Jackson, Thomas Martin, D. David Martin,
Cynthia M. Spellman, Vicki L. Martin and Timothy and Marilyn Martin

“ Danny Reid--We played a lot of Racquetball for years at FitnessWorks, and then later at the D.A.C. Afterwards, you, me and Lee would go have a bite to eat--good times!

Then, at THE BUILDING--eating, drinking, talking loud--good times!

“ Daniel J. Reid and I began our friendship in college at Western Michigan University in 1970. We grew closer when we discovered that we were both raised in the Detroit suburbs — Pontiac and Mount Clemens. After college, we lived on the northwest side of Detroit and married beautiful Black women from the city. Our favorite activities included aerobics, racquetball, sauna sessions, and pool time at the Northwest Activities Center.

Reid also visited my family in North Carolina and New York. Additionally, he purchased a Cadillac from my second dealership in Winston-Salem, North Carolina. Thank you for your loyal friendship, and rest peacefully in heaven, my friend.

“ Jesus called a great man of God & the Law home. Rev. Daniel J Reid! I don't have the words other than Thank you! Thank you for coming to Greater Quinn all those years ago I think I was 7 and adopting all of us as your kids. Thank you for the opportunity to babysit DJ, pick up Candace from school, and be a part of your family and church family. Thank you for allowing me to serve under your leadership as your Pastor Stewart it was an honor. I learned from the best! I will continue to honor your fatherhood the way you loved all your kids and extended kids was amazing, your pastorship, your leadership, how you fought for your clients you were the best to ever do it. It's going to be tough without you here physically, but we will get through with God all things are possible thank you for instilling that scripture in me. I am praying for your family, your friends, and your loved ones. Until we meet again. Rest in Gods loving arms.

“ *The post I received about pastor Reid's passing Sunday was shocking. I've known him for several years and he was my ex-husband's lawyer. We played racquetball at Fitness Works for years a place where we all became family. The last time I saw pastor Reid was in December of last year at our annual dinner for Fitness Works. Pastor Reid had a great sense of humor and will be truly missed. Rest well pastor.*

“ There are so many things that we share and that he did that made me feel a part of, but one of the times that stands out, was the time when I was in the hospital, he came and gave me a surprise visit, and that made me feel so very special, and I will always love you, Rev. Before I turned my life around Les. used to bring his church bulletin home and I used to read "from the Pastor's desk. I enjoyed reading his thoughts. When I got clean I joined Greater Quinn. When he left I followed him to St. John then to Trinity. You were a great man and I will surely miss you.
