“ Thank You, Light Post

Hebrews 7:25

Consequently he is able to save to the uttermost those who draw near to God through him, since he always live to make intercession for them.

As I sit here in the sobering silence of your absence I experience bouts of gratitude

Thank You ,Light Post

Thank you for when I feared what was ahead

Your cascading light brought me security

That no matter what came to me or towards me

That this chosen path was special and safer

Thank You Light Post

For being a beacon of strength and of God's grace

I thought I couldn't never fathom a walk without you

Today I realize you never left your post to walk aside me,

But only helped me realize what was inside me

Thank you, Light Post, for your purposeful life

With love from your loving Granddaughter,

Malissa

“ *Mr. Green was my neighbor as a child, and I always admired his love of family, community, and life. He was a hard worker, and a pillar of the community. His kindness has continued to resonate with me into adulthood. May he rest in peace, and continue to remain a reminder of kindness to his family.*

I lived across the street from him has a child. He always had a kind word. I remembered playing with his children. I admired Mr. and Mrs. Green for fostering so many children and loving has if they were their own. It takes amazing people to a love children that weren't even theirs. May God be with the family at this time. When you catch yourself feeling sad, just think of the good times and smile to get you through it.

“ *One of my fondest memories of Bro Green is when he would conclude Sunday school with parting words about taking the Word of God serious and knowing that you are saved. He was sincere and I just appreciated him so much for his encouragement. He impacted my life as a believer in Christ and I am so grateful to have known him.*

“ Where do I start Bro. Green was truly a man of God. His words of wisdom and his gentle yet powerful spirit was inspiring. He didn't have a mean bone in his body. Bro. Green was so kind and just a loving man. He took time out for me and my boys Kashif and Matthew when they were young boys. His presence will forever be missed and he will always be loved by me and the young men now. Rest in the beautiful light of God!! I will be praying for the family and friends!! 🙏💙🙏 To the Green family I love you all!!

“ We will always remember Deacon Green teaching the saints, especially in our Sunday school. Because of his dedication and edifying the body of Christ through that gift, we are excited that Christ has given him his crown to sit at the feet of Jesus.
