Dear Mother,

*Hi again, i'm just bringing a DREAM this time. So, after you died, and when I slept, I had a dream where I saw you on the couch, still alive. I started crying and running towards you, and I hugged you. The worst feeling i've ever felt was that it was just a dream. There were tears in my eyes when I woke up. I just WISH it was as real as the dream.*

*With love, Isaac White (Youngest Son)*

“ Dear Mother,

*Hi again, i'm just bringing another memory I remembered. When you & dad were asleep, Justin, Keristen, & I played in the dark. They were doing an intense version of Tag. I wanted to join in too because I couldn't really sleep then. But, dad came out of the room and we ran back to our rooms. It was funny and risky. I miss you mom...*

“ Dear, (Biological) Mother

*Hi, mom. I'm just sharing a memory with you. I don't think you know this but when, you & dad went somewhere, Lindsay, Keristen, Justin, & me used to play hide 'n seek in the house. But when you & dad came back, we went back to our rooms. It was fun but, I just wish you was there, alive...*
