I was David's (Word's) Instructor in the Information Technologies Center at Focus: HOPE. He came in every day with a smile, always had an encouraging word for everyone. He will truly be missed. 🙏

David was a great friend of our son, Aron and a fellow Golightly student. He was part of a "brotherhood" that had gatherings at each others homes every Friday night. What a great time they had a wonderful time. Family we were saddened to hear of his passing. Sending our condolences and wish you peace. Rod and Edwina Brown.
