“ I met Dayna last year when we took our girls to the park and to get ice cream. Aleah is in Piper’s class. I’m so very sad to hear about her passing. My condolences to her family.

“ *Cousin Dayna*

*I'm going to miss you and always remember our time together on Wildemere.*

*From riding my bike pass your Kitchen window and you always came outside to play with me and joking around. Back then, I made sure to walk pass your house from school, so you can check on my well-being and invite me in to warmup during the winter months. I remember calling out Zoom name from your bedroom window because saying Zoom Zoom and Boom Boom was so funny to us. As teenagers, you level up my cool points with the guys because I knew the beautiful Dayna.*

*Thank you for being apart of my best childhood memories , R.I.H Cousin.*

*Sincerely, Jason Thomas*

“ We have gone from Gesu, to Cass, then to WSU. No matter how long it was that we had talked it was like we never skipped a beat! When my mom passed at the end of 2020 during Covid you were not able to attend the funeral but please believe you were the first person I saw when the chapel doors opened saying “I just had to see you today Francis”. I love you friend, you will truly be missed

“ *My Auntie,*

*I remember when I was 3 years old and you took me with you to get your tongue pierced LOL to you delivering Daylen and me taking on the big sister role and helping out so much because I was excited to have a first cousin. To me being in the delivery room when you delivered Piper. Since I've gotten older we've become more than auntie and niece but best friends. Some of my best memories are of us hanging out having a great time drinking our favorite casamigos to us having 3 hour conversations on the phone gossiping. It breaks my heart that you will not see me get married or be a great aunt to my kids but I know in spirit you will always be with me. I will be here for your kids and I love you so much.*

*Until we meet again,*

*Your Deekey Boo*

*This is to my bonus family that God blessed me with for so many of life's endeavors. We will endure this together like anything else. Through the good and bad the Taylor's had an input, but none like my sister (Dayna). She knew my moves, my thoughts and reactions. Rather I was wrong or right.. Dayna was there. Unconditional love from a true friend and sister that will be missed, but never forgotten. Our plans were not what God had planned for sure . I guess she has to run the show from the owners box with her yelling Sammy Whammy from heaven! Now you can have peace my friend just one one place I wish you ran late for.*

“ Deuteronomy 5:16 (KJV) Honour thy father and thy mother, as the LORD thy God hath commanded thee; that thy days may be prolonged, and that it may go well with thee, in the land which the LORD thy God giveth thee.

*I pray that our Heavenly Father will mercifully forgive Dayna of all her sins and that our Lord Almighty will open the gates of his Heavenly Kingdom with his unconditional love to her and have a place prepared for her in his Holy Kingdom.. 🙏🙏🙏*

*All I I'm left with is the good memories we shared.. Dayna was a Beautiful friend, a great mother and she will be forever missed until we can all meet again together in the Father's Heavenly Kingdom 🙏

*John 14:1-6 (KJV)*

*Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.*

*And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.*

*And whither I go ye know, and the way ye know.*

*Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way?*

*Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.*

“ *My heart goes out to the family and her dear friends!! Dayna had me hitting every single stop along the way with her many wardrobe changes the evening after our high school graduation. The next time I saw her was the start of covid, no hugs but big smiles exchanged behind masks. I know your energy will be missed!!....always NIQUE... as you called me. ~Monique W. 🌻*
