“ Deborah, You and I always have been talking on videophone everyday until you transferred to other place. I won't forget you, my good friend. Deborah attended to Lutheran School for the Deaf after I left to the other school. Also, You are the BEST bowler and went on my Deaf bowling leagues and tournaments long time ago. We are also on neighbors in same area where we lived in Rochester. You will be in my heart forever. My thought and prayers send to her family. Hugs 🤝👉
