“ *Mom I love and miss you I still can not believe you are gone. Mom so many times I looked at my phone and want to call your number just to say hello but then I break down because I can't call you and that hurts so much but mom I love you I think about you everyday and its killing me that you are not here with me.*

“ I do not know this young lady but she sure is beautiful. May God bless her family and I am so sorry. Heaven gained a beautiful angel. God Bless you all.
