“ *Delmar was one of the most kind and compassionate people I knew at WOF. She loved and accepted every one unconditionally. Never would you hear Delmar speak an unkind word towards anyone, EVER! Her walk with Jesus was real and authentic. The love she and Ron shared was always on display by the way they treated each other. Delmar Mays was truly an Ambassador for God everywhere she went. I will always remember working with Delmar during convention time and how she handled everything with excellence and a loving smile. My memories of Delmar will be of her smiling and that's how I'll always remember her. Well done, Delmar. Enter the joy of the Lord.*

“ *I have so many wonderful memories of Delmar that I will hold on to. (1) Delmar was so created and passionate about every assignment given. To Ron, Nicole and Family

On behalf of my family we extend our sincere condolences to you. We remember Delmar as a wonderful woman of God and a great Bonus Mom and Grandmother to my daughter, Ronnye and her sons. . I shall always remember our last time together when she and Ron visited here in Maryland. We had a great time enjoying seafood. My prayers are with you and I know Delmar is resting with the Lord. For as believers we know to be absent from the body is to be present with the Lord! To God Be The Glory!!

I remember the day I met Delmar. I had accepted the call to serve in the Ministry of Helps and she was at the table for the Faith Food Book Store, recruiting workers She yelled "hey you with the pretty smile, you are supposed to be working in the Book Store" And that's when our journey began. She could never remember how to pronounce my name, so when she saw me she would bend her elbow, point to her arm and say "Arma." She was so full of life and she loved the Lord. I am wearing yellow for you today Delmar. Rest in the Savior's arm and I will see you again. Arma Williams

“ I will truly miss my big sister her smile and laughter doing our Jr.church times she was always the funniest when all her ideas. But most of all when she had to play big bird one little kids pull her feather I thought that was so funny. I learned so much from Delmar when it came to reading until this day I always have a book she would always say VEE I got a book for you and it would be right on what I dream about. When Delmar got married I was living out of state but when I came back to visited I never met Ron but when I saw a tall man in a yellow suit I said that's Ron Delmar made him wear a yellow suit I just laughed because that's Delmar I have so many great stories I know she is in a better place I will truly miss her but she will always be in my heart.
