

## Delphine Iris Roberson

December 2, 1972 - August 1, 2022

Delphine was born to the union of Leola (Ellis) and Barry Roberson. Delphine was affectionately called

Del. She accepted Christ at an early age at Gesu Catholic Church. Delphine attended Gesu Elementary and graduated from Cooley High School. She later attended Eastern Michigan University to study business and Teaching. Del had a heart for children, and her aspiration was to become a teacher.

Del was a loving and a beautiful person inside and out. Del had a glow about her that was so radiant.

She was a great encourager of living life at its best, a good listener, a helper, and meek and humble.

She loved to work and learn. Del career and areas of work included accounting, administrative and computers. Delphine leave to cherish her memory her two children - Timothy and Taliah; mother - Leola (Ray); Aunts - Irene and Mattie; and a host of cousins and friends.

My Mom Years ago, my mom use to help Taliah and I, but when she became ill then it was our time to help her. Years ago, we use to go to the big house (Farmington Hills), Water Park, eat at great restaurants, Movie Theater, dance and just had lots of fun. My mom loved us, cared for us, protected us, and we love her with all our heart. By Timothy

Del' Cousins describe her as a fun spunky, and courageous soul. She was

brave, poetic, artistic,  
and a unique Fashionista. Del never followed the Trends, she created her  
own. She could disarm  
strangers with that vibrant smile, people becoming so comfortable with her  
they'd  
unintentionally tell her their entire life story. She made everyone feel like  
family.

We are honored and grateful to have such a beautiful soul like Delphine be a  
part of ours forever.

Be still and know that I am GOD

~ Psalm 16.10
