“ One of the skinniest kids on our football team in JR high and I was always afraid of him getting hurt in practice. Kid was fast as hell though and was always fun to be around. Meech was and is an amazing soul and will be missed. His smile and his laughter was infectious and he and Waboose loved their Chicago Bears. I hope that the two of them are up in the big sky chanting “Bear Down”. Miss you both!!!!

“ When I first moved back to Ferndale he and I used to hang out a lot. He knew I was depressed from having to leave my son in Canada not sure when I'd get to see him again. Meech did everything in his power to make me smile and laugh. When I needed to be hugged and cry he was there telling me everything will be alright. He was my angel when I needed 1 the most. I guess now he's my Guardian Angel watching over me. I miss him so much. Heart broken 💔

“ *Demetrius, we were 1st cousins. Your mom and my dad are sister and brother. I hadn't seen you in quite some time. After 21 years of serving the Navy I finally retired and have had sooo many plans of enjoying my family. Unfortunately, I won't be able to spend any time with you. You and I texted often and shared pictures of our kids and wanted them to be able to hang out together as cousins and get to know each other. Throughout our chats I knew that you loved me, you loved your family, & I know that you know that I loved you because I told you. You will be forever missed cousin. 💔🙏😔*

“ The day you left and gained your wings my heart has not been the same. I miss texting you and video calls with you. When you left so unexpectedly a good person was taken from me!! So fun, so loving. All the good times I think of us of what we had the tears start to roll each time. I will forever remember those cool smooth dance moves. I will forever love you. My cousin.

When he died, all things soft and beautiful and bright would be buried with him.

“ My message or story about Demetrius. All memories of him are treasure ones. If I may call when ever he was down south or I was up north we had a jolly good time. When he was down south staying with his Aunt Brenda off and on,all I had to say was Nephew sing Rick James. He get to popping his fingers in order to get into the groove there after the singing and dancing starts. Occasionally I joined in,he lighted up the whole room with laughter. I looked at him like the son I never had. So now my favorite nephew  for 46 years your Aunt Brenda loves  you. No one can take nor fill my heart the way you did. Missing you  always, your favorite Aunt Brenda
