“ I pray for comfort and peace to my Buford Wexford family his wife and children. I will never forget all the times we shared. I have so many memories and laughs with my brother. He gave me my 1st and last motorcycle ride 😊. I love you all I know he is resting with the Lord safe in his arms. Life does go fast dont waste any more time. God wants a personal relationship with us all just like Derek showed.

“ To the entire Buford family, Our deepest condolence and prayers are with you during this tough time of your lost. Derek was more than a friend, he was indeed a awesome brother. His life will forever live through the great memories and times we will always cherish. His gift made room for him. Many don't know but we were about to work on a major jazz project together with some other greats. He will be missed but never forgotten. Rest on our lil brother.

“ *As I sit here thinking about all of the good times we all had together, I can't say that you didn't leave a mark on us. You were humble, nice, silly, and a cool dude. Coordinating your wedding was a lot but I enjoyed it all. Seeing you and Tenisha happy was my goal! Glad you aren't suffering anymore and we got Tenisha- don't worry. Love you bro and Rest In Peace!
