“ *I met Di in 1989, we worked together at Gantos clothing store, we didn't see each other a lot over the years, but we always made a way to stay in touch, as a matter of fact not to long ago I sent her a text that read, "Miles may keep us apart but we'll always be connected at the heart". Di I really meant that, you will be truly miss, and always part of my memories, RIH!*

“ *Friend that is my definition 4 Diane we have been friends for 59 years. I met Diane when she was 14 years old. That's when all the fun and adventures started she was my ride or die. I'm going to miss her we had much love for each other my heart is sad and I will never forget her.*

She never called me by my name some how it was Chief and I called her (Dean). Never new how we got the names for each other it was our special names only between us.

Hanging with Dean has been one hell of a ride one i will always remember.

Much Luv for ever Vickie / better known as Chief 💙💙

“ *My deepest condolences go out to the Holmes family. We lived across the street from Diane (as we called her), Sony and Edward on Steel St. In fact I use to babysit Edward when he was a little boy. Diane was always so nice and kind and extremely generous. She use to embrace us and always welcomed us in her beautiful home. I can still remember her bubbly personality and infectious smile as if it were yesterday. May God wrap his loving arms around you, and comfort you in your time of need. God bless,*

I, worked with Diana, at Comerica Bank, I am so sorry to hear of her passing.
