“ Dear Ms. Thomas,

You once told me you wanted my room across from the office, right next to you, so when people walked into your school, the first thing they would hear was "beautiful music". You said you wanted me to teach "the under dog" the child that just didn't think they had the talent to sing or dance. That's why there was practically every child in the building performing in the choir! 😊 You even supported us when we performed outside of McKinney. You were such a refreshing and encouraging person.

I want you to know, Ms. Thomas, you were the most remarkable principal I ever had. You made me a better teacher. You made me a better woman. Your sense of humor and timing anchored me with a new perspective on just about everything. You always had hot sauce on your desk, 😊 and the door was always open to anyone, even if they just needed talk. You will be deeply missed. Thank you for being one of the most notable, amazing woman I know. You are "My principal" and dear friend, forever."

Sincerely,

Andrea Williams Bailey

“ Please accept my sincere condolences. I am deeply saddened by the loss my former principal, Mrs. Dolores Thomas, my favorite. I enjoyed many great years with her at McKenny Elementary School. I will never forget her sense of humor especially during times of great stress which ultimately ended in hearty laughter. I appreciate and remember all the help she extended to me as well as my family. She will be greatly missed.
Your family will continually be in my prayers.
