“ Though you are now gone and I haven’t seen you in years, the memories of when I was still a child love freely in my head. When you took care of me and my brother calling us when we were in the house on the house phone, replacing my umbrella in Rihanna’s song to my name, making sure my brother and I didn’t get in trouble so you helped clean up our mess, and being family or just being there for us. I have missed you all these years and now that your actually gone it feels so surreal. It feels like it was only yesterday that you lived with us. Hopefully, in another life, we meet again. You will forever, and always, be my uncle. I love you

“ My brother Dominic, wow it seems like a million years ago. I met you on my first day of starting McKenny back in December of 94. And since then you and Donald were apart of the Votros family. In the later years when we all moved away and kind of lost contact i never forgotten all those memories growing up! You may be gone, but you will never be forgotten. And like myself, the rest of the Votros family will continue to look out for your brother Donald and family. For that what family do! Until we meet again my Votro brother- Matthew.

“ *Dominic.....I can't believe I am even writing this right now. I have so many great memories of you from being in Kindergarten together to us playing in the hallway of our apartment building. You & Donald were the first friends I made when I moved into the Votros. Although we lost touch over time, you were never far from my mind & my heart. I am so heart broken I could not see you one last time & listen to you cracking jokes. I will treasure those memories & never forget your smiling face. I am going to miss you dearly my friend...Until we meet again-Sharda'*

“ There is so much that I want to say. So many memories that come to mind that I will cherish forever. Your personality was truly one of a kind and the love you shared with everyone was genuine. I know that you wouldn't want any of us to be sad and down because it was in your nature to make someone laugh . I am going to miss you and I'm grateful we had one last conversation. I love you Twin

“ There's so much that can be said about Dominic. He was such a sweetheart. We went through all 4 years of high school together and there was never a full moment with you around. We use to always talk about the fact that we were both twins. I haven't seen you since high school. Man this is a hard one. Class of 2003 has lost another one too soon. Rest peacefully and I know you and Cynthia are having a ball up in heaven.

“ I’m going to miss you Dominic. The Banks Family is in our prayers. I remember meeting you and Donald in 9th grade at AOM. I almost instantly felt like I gained two more brothers. You guys reminded me of my brother and I.

“🕊️ Remembering Dominic's sense of humor, he could light up a room without even trying. Thinking of how he loved family so much, when we had functions and I was finally old enough to join in... I got to know my cousin more. He tolerated no disrespect. He was a positive soul. Just wanting to make his friends and family smile! His happiness was contagious. If he found that he made you laugh, it seemed like he got joy from that.

Until we meet again cousin! You'll remain in my heart forever❤️

*Love you cousin,
Lil' Ashley🕊️*
