“ *My name is Charles Underwood. As I was looking for information on a high school classmate (Derek Palm) I saw that Donaway Lee had passed. I went to McGraw Elementary and Webber Junior High. I think this is the same Donaway Lee that I went to school with. Could someone call me at 313-613-0637 to verify. Thank you.*

“ My favorite memory of Donaway was gathering around the dinning room table on Saturday morning talking for hours about life ,politics,making plans for the future, movies, what we were doing that evening etc. This gathering was usually myself Trecia and Denise having girl talk but, within seconds Donaway was seated at the table giving us his opinion/ advice. We would talk for hours. I never told him but I enjoyed the challenge of Our debates/ talks. All of us were opinionated and of Strong character however, it never interfered with the Love we had for each other. Love and respect is what kept us together for 50 years. I miss the talks and laughter but you forever remain in my heart❤️❤️❤️

“ *My Condolences to the Lee Family!*

Donaway Leon Lee...Donnie, as we all called him, was an intelligent, warm, loving and caring man. He was a charming, witty and outgoing person who enjoyed life and being around his family and close friends. His warm effervescent smile could light up a room!

Donnie was a smart dresser, who taught me and most of his friends, how to tie their own ties, and how to dress properly. Furthermore, he taught me value, discipline, structure, and how to carry myself. He was a Hard Worker, Good Husband, Father and Brother! He taught me so Many Things that I will Forever Be Grateful For!

I am So Grateful to have Known and had you as My Big Brother.

Donaway Leon Lee

MY BROTHER R.I.P.!

With Everlasting, Love

Tony

“ *Dad, as I would call Mr. Lee, was best known for raising three beautiful women. He would always brag that his girls were no punks. I fell in love with the Lee family the first day I met all of them. Each one a character in a sophisticated comedy drama. Pops always found a way to make everyone laugh. As uncle Tim stated, Pops was clearly the smartest one in the room. I thank you pops for showing me love over the years.*

“ *Donaway Lee was a lifelong underachiever. With his intelligence and wit he could of changed the world. Instead Donaway was content to just be the smartest person in the room. He was a man of his own convictions, a man who knew little stress and lived life to the fullest. If you were lucky enough to engage in conversation with him you left with something that caused all three: think, laugh, cry. I will miss you Big Brother. Tim.*

“ Donaway Lee and I have been good friends since the 7th grade. He was charismatic and had a “witty” personality all his life. Even though one time he accused me of running my car over his foot after he stood in front of it because Denise wouldn’t get out of the car We all went back into the apartment and made up. I left and didn’t hear from them for a couple of days and the three of us have been friends ever since. ❤️. There’s a back story..... use your imagination!!
