“ The Rennalls Family from Linstead, St Catherine and across the diaspora sends out heartfelt condolences to Donette's husband... Children... Siblings... her entire family and circle of friends. She often referred to our late Mom as her Surrogate Mother as she fell under her sphere of influence while attending high school. She visited often with my parents (both now deceased) whenever she went home to Jamaica and to me she was like a big sister who encouraged and supported at all times. May her dearly departed soul Rest in Peace and Light Perpetual shine on her forever. 🙏🙏🙏

“ Words cannot describe the loss I felt on hearing about D’s passing.

*Though it has been more than 50 years since I last saw her or spoke with her; nevertheless, she has etched a place in my heart that now causes me to wish I had sought her and maintained a relationship.*

*Our Long Road community was knitted tightly together; and as a young person, she served as a role model when she passed her examination, an accomplishment we as kids were all aiming for. She definitely paved the way for many of us.*

*Looking at her picture even now, with the same smile, poise and grace she displayed back then, has really left an indelible mark on my heart.*

*Many are reeling from this loss as her passing has left us with a certainty and acknowledgement of how fleeting this life of ours is.*

*Donette will be deeply missed by everyone.*

*My deepest condolences to her entire family, friends and loved ones.*

*May God bless you all and give you peace during this difficult time, and may her soul rest in eternal peace.*

“ Always the fashionista, Donnette, I will miss you fluttering around the altar at church, making sure the right cloths were out, the crosses covered at the appropriate time, the flowers arranged beautifully, the Pentecost dove ready, and the priest’s investments cleaned and pressed. Then you’re down at coffee hour helping to make sure everyone gets a light snack or sometimes a full meal! Always hosting and participating in church activities. And you sure knew how to throw your own party at your home! Your passing was so unexpected and we are the same age. I am still trying to wrap my head around the thought that I will never see you again. I will continue to pray for your family, my friend.

*I moved from Michigan in 2006 and throughout the passing years Donette and I stayed in touch. We always called one another on our birthdays. Between birthday calls, we shared news about vacations, grandkids and the St. Matthew's & St. Joseph's Church family. She was a treasured friend - Donette, I will miss you!*
