“Wow! This one hits different for so many reasons. Ms. Bell was like a second mother to me. I remember growing up, and walking over to her house on Paris St. Whenever I would see her, the smile she had on her face, would light up the room. After leaving for the military, I would always ask my mother, "How is my second mom doing?" My mother would always give the report. Now they are back together again smiling down on everyone. Yeah, this is a tough one. But I know she's in good hands. Rest Easy, Ms. Bell!!!
