“ *BISHOP JOEL WALLACE*
My name to this great woman was Tommy and what respect and love I had for her growing up. She was one of the strong mothers on the block treating me as one of her own. I praise God for her seeing my transformation from a little boy to biker boy and now God's man . How can we ever forget the love and respect we had for mother's like her . Mother you did your job well its your time now to enjoy your new home with the saints of God . You taught us well we will be ok .
