“ Dorothy will always have a special place in my heart. Yes, I was one of those who she helped aided in the truth. Although, there were many days when they came for my study, the door was locked. I would laugh at them standing outside in the cold. But that didn't last long. When I started to understand the Bible, my door was always unlocked. I know one day very soon, we will all be able to see our loving dear sister Dorothy. My thoughts and prayers goes out to her family and friends.

“ I love Dorothy she was very unselfish, a very good friend, she was always smiling. That's what I'll always remember about her. In 1973 along her family 3, mine of 3, another with 3, she drove all the way to New York so that we could visit Bethel. It was my first trip to Bethel. I'm looking forward to be with her in the New World.
