“ *Dwight was always a shining light. I played golf with Dwight when he was at GM and then later saw him quarterly in his job as shuttle driver for Hamilton Chevrolet. Dwight always had words of advice an encouragement and always talked about how much he was enjoying his retirement with his wife. He seemed to know everyone and they all had good things to say about him. May God bless his family and I pray that they find peace in his passing.*

“ *Dwight was a genuine and sincere person, who had an infectious smile. He was a childhood friend who continued to reach out to many of us from the old neighborhood. I appreciated his friendship and thoughtfulness. He will truly be missed.*

“ I was privileged to have known and worked with Dwight for close to 10 years.

He was truly one of the most thoughtful and kindest people I have ever known. He will be missed by all who knew him.

He was always there to help when we needed a shift to be covered. I will miss those occasional Wednesday lunches with him and Trinita.

My heart goes out to his family and my prayers will be with them.

“ Dear Emma and Trinita,

I only met Dwight once at the wake for Mrs. Gomoluch. Both of you were with him.

He was a gentle giant with an wide, welcoming smile. We only talked for a few minutes but I experienced his sense of humor and joyful personality.

He was an instant friend.

I cannot imagine your loss -- I am so sorry.

I also regret that this current health situation limits the number of people who can celebrate his life. Please know that even though we cannot be physically close to you at this time, we are with you in spirit giving honor to him and his family.

May God give you consolation and hope.

“ To have been blessed enough to know a man of the caliber of Dwight Gaudy is to know that he loved so many people and was always there to help whomever needed him. I will always think of Dwight in his service to others and this is especially true for the deep love and devotion he had for his mother Emma. Something I share in common with Dwight is his amazing mother. Emma is my second mother. Much of what I understand about life is due to my precious and deep relationship with his mother, Emma. I cannot even think of Emma without thinking of Dwight -- they were that close.

Trinita, there are no words that I can say that can take the intense grief and sense of loss at the unexpected passing of your husband, this great man. I can only say to you, as a brother in Christ, that Dwight is in paradise right now and is in close proximity to Our Lord and Savior. He is in a state of bliss that words cannot describe. I know he is there with his son Brayan and many others that Dwight touched in his generous life. Dwight was so happy once you came into his life -- it was a pleasure to see the two of you together. That radiance will never die -- he will always be especially close to you spiritually -- now and forever.

I had just received a text from Dwight the Friday before his passing. When I got the word that he entered eternal life, I was shocked and heart-broken. However, our faith tells us that Dwight has never been better. I have had many conversations with Dwight since his passing, asking him to remember us all to Our Lord. The truth of the matter is we grieve for our loss of this loving lion of a man and have to remain in this imperfect world without him. Those who knew and loved Dwight will suffer greatly without his physical presence. He will now become an even more intense spiritual brother to me. He is another member of my family that I know is in heaven and that I will remember in prayer for the remainder of my life.

Emma, I do not know how I can say anything to ease your grief at the loss of your incredible son. I know you and I know the immense depth of your heart. Making sure you are OK is a top priority for all of us. Please know that Dwight lives and dwells with our Lord in a much better place than we could ever comprehend. My sincerest

condolences and deepest prayers are with you and your family at this most difficult time.

With all my love and respect,

“ *Dwight is my 6th Brother and He is the Best one of All! I remember going to his wedding, I remember when he became a Father and Grandfather for the 1st time. And recently, when Dwight & Trinita helped me move a very heavy table to my apartment! How He and his Sisters allowed me and my other brothers to share his very Dear Mother, Emma!*

Dwight, how you were everything to so many People not just to your Family and Friends, but People who were blessed to come in contact with you. If We knew how many People that Dwight had touched in his life time, it would exceed more than anyone can imagine!

Dwight always had Faith, Hope and Love in his Heart and Soul!

One of my favorite Bible versus from yesterday's Gospel is from John 11:25 -26

"Jesus said to her, I am the Resurrection and the Life. He who believes in my will live even though he dies; and whoever lives and believes in me will never die."

Dwight will ALWAYS be with Us!

Love,

“ Dwight did always say he was a blessed man and that I was just as blessed as he was! He is right! He always had the right words to say, the smile or hug you needed. He would always have something to tell you as well on a personal level. I hope I continue to grow on the words of wisdom you mentored me so well in and don't worry I will reach to the heavens for you!

“ Dwight was the kindest soul I've ever met. He was always doing something to help put others. He always had a pick me up message if you were feeling down. We loved him very much. The customers he came in contact with always had such a pleasant experience with him they'd ask on their next visit if he was in. I'm going to truly miss him, his positive messages, and him singing a tune when he was in a good mood.

“ *My prayers and love go out to Dwight's family and friends. He was one of the kindest souls I have ever met. He always stopped by my desk, sometimes out of his way, to tell me how blessed he was and remind me how blessed I am. He always asked how my baby girl was. He loved to brag about his as well. I loved hearing the stories of his and his wife's dancing. I loved hearing about his pay it forward moments. Thank you for sharing him with us. He was a true light in this world.
