“ *She was a beautiful lady. Anytime someone asked to pray, she would not hesitate to jump right in and pray. She was admired and we are grateful to have known her.*

“ *My family second Mom. Margaret, Katherine, Connie and family. I will not be able attend physically but my prayers and love will be there. I remember being able only to spend the night at your home when we were kids. My mother had a special love for your mom. Rest Mom Newton, you were good and faithful to the Lord your family, your church home, and the community. Your Victory is WON!*

“ *She always had a sweet spirit and kind word. She treated me like one of her own. Her and mom were best friends. She was there for me and my babies. Rest well. Give mom a big hug and kiss for me.*

“ To Connie, Margaret, Catherine, and Family. Sister Newton was so supportive of me and my family. My Mother, Virginia Ball worked with your Mother for years on the Senior Usher Board. My Mom, always knew she could call and depend on your Mother.

I can recall many times hearing my Mother say, "I got to call Newton".

And when my Mom had her health challenges, Your Mom was there to support her and my Father. I will always be grateful for the prayers, love, and support she gave them and my family.

And in 2016, when I had surgery. Sister Newton supported me with prayer and love. She came to the hospital to see me. I knew I could depend on her prayers and support. Her prayers and support really made a difference.

So, I know my Lord and Savior Jesus Christ has bestowed upon my dear Sister and Friend eternal life. And she is resting in his Precious Arms.
