“ On behalf of my family and myself, I would like to extend my heartfelt gratitude to everyone who reached out, prayed for us, and supported us during the passing of my beloved mother.

Your comforting words, kind gestures, and presence—whether near or far—have been a source of strength during this very difficult time. We are deeply moved by the outpouring of love and compassion.

To those who went above and beyond in offering their time, care, and assistance, please know that your generosity has left a lasting imprint on our hearts. Though there are too many to name individually, each of you holds a special place in our gratitude and memory. YOU KNOW WHO YOU ARE! THANK YOU!

We are truly blessed to be surrounded by such love, and we thank you sincerely for walking with us through this journey of loss and remembrance.

With deepest appreciation,

CRYSTALL AND TIM

“ My memory of Mrs. Earline was remembering how she loved to see the kids tap dance. Mrs. Crystall use to bring her to tapology with her and she would be in her wheelchair just smiling and having a good time with the competition kids. Her face lit up when the kids was on stage performing she loved to see them perform. She loved to hug and get hugs from the dancers and the parents. She had such a sweet spirit she will be missed. Mrs.Crystall was a awesome daughter she took care of her mom for some years. I know your mom has her wings and will be looking down on you and your family she is your guardian angel. I love you and I'm praying for you and the family 🙏❤️

“ On our first visit to Detroit, we stayed with Aunt Earline. She showed us all of Detroit. She even took us across the border to Canada. It was an awesome memory. We won't forget your kindness and hospitality Auntie. Rest in peace....
