I met Shawn when he was a member of my church out in Denver, CO. He was such a very kind and generous man always giving you a kind word along with a sense of humor. I was shocked to hear of his passing, but have peace in knowing that he now is resting with our Lord and Saviour Jesus Christ. I was honored to be called a friend of yours.

“ Such a kind soul, taken from us too soon. I wish I had more time with him, but I am at peace knowing he is at peace, no longer in pain... I miss him terribly though! His silly personality, his smooth booming voice, his captivating smile and his deep baritone laugh, you always knew when Shawn walked into a room! I am truly blessed to have known him and to receive his love and friendship. I also know he will always be with me. Rest in peace Shawn. ☐ To his family, my heart goes out to you!

“ Heavenly Father, wrap Your arms around this family and cover them with Your peace that surpasses all understanding. In this moment of deep sorrow, be their comfort, their strength, and their refuge.

Lord, we thank You for the life that Shawn lived—the love he gave, the memories he created, and the impact he left behind. Though he is no longer here in the physical, his spirit and love will live on in the hearts of those who knew him.

Ease their pain, Lord, and replace it with gentle reminders of joy, laughter, and the beautiful moments they shared. Give them the strength to face today and the days ahead, knowing they are not alone.

Surround them with support, uplift their hearts, and remind them that You are near to the brokenhearted.

Rest peacefully, dear Shawn You are loved beyond words and will never be forgotten.

Amen ☐

“ My husband met Shawn here in Denver on the city bus and invited home to our church at the time, CCF. Him and his family came and we became fast friends. They came over for the superpower once. Fun times! They invited us to a wine tasting. Funny, I had to sit there and watch because I don't drink. He was so apologetic! I'll never forget that booming voice and laugh and those big hugs he would give us. My nieces love him and so did my husband and I. It's been about a year and a half since we'd seen him. It hurts that we didn't know he was sick and now gone. I'm also relieved he's no longer in pain. Our hearts go out to his friends and family. He'll remain in our hearts. We're praying for you all. Much love! Michael and Delia Grant and family.

“ I'll miss my Detroit brother Shawn. He was such a character who loved the music, loved working at KUVU and often raised my spirit with his humor and knowledge of how to operate in the world. I can still hear his laugh. "Popcorn!" Kim Berry, KUVU

“ To the family of Shawn Swan: I send my most heartfelt condolences, love and prayers to you all. Shawn and I got to share some wonderful memories while we were together in our marriage. I am beyond blessed and grateful for those times, and that he let me persuade him to live out his dream of going to broadcasting school to eventually become an "On-Air Radio Personality" while in Denver. He touched many lives with his God given gift of charming swag and a sultry soothing voice for the airwaves. I pray you all will take comfort in knowing that he is home with the Lord and in no more pain. You will be greatly missed, and I will always love you Mr. Swan a.k.a. DJ Smooth. Rest well in paradise and please hug my little brother Mo for me - i'm sure he was happy to see you up there in the heavenly clouds. Love, Tameshia a.k.a. your Lady T!
