“ *I've had the greatest of opportunities, and privileges to meet Elaine on a couple of occasions, and each time was really delightful. She always had a smile, and kind words to offer. I know that she's going to be missed; but for those who knew her will always keep her close, and dear to their hearts.*

“ *I'm so sorry for all of the Jenkins and Croom family. She was known to me as grandma. She was a beautiful spirited woman and I loved how she welcomed me into your family as a child. Please know I feel everyone of your hearts and your pain and we will definitely continue to pray for you guys. My mother would visit your grandmother in the nursing home where she also did rehab and would also say that Mrs. Jenkins was a kind hearted person. Love you guys so much. Semica Collins Spinner*
