“ *It is hard to believe that Oforiwa is no longer with us.*

She was a dear, kind and lovely friend. Oforiwa became my friend from the moment she joined our year group at Winnesec and remained so till her passing. Just missed meeting her by a few days on her last visit to Ghana .

My condolences to Kweku, her husband and Adwoa her beloved daughter.

May the Lord give your beautiful soul rest dear Oforiwa.

“ No words can express how sorry I am for the loss of Elizabeth. She was part of my DTE family for many years and was a remarkable person that others, myself included, aspire to be like. She was brilliant and beautiful, inside and out. She is missed.

“ It is very saddening to hear about Elizabeth. She was once my Supervisor at DTE and was a VERY intelligent and beautiful person inside and out. I sometimes thought that when I would not do something correctly, she would tell me off in her native language ;) I don't know what she would be saying but it sounded beautiful, LOL. Even though I am retired I still carry the skills she taught me to this day. I pray I will hopefully see her and her beautiful smile again in paradise.

Oforiwa was my friend since 1978 at winneba secondary school. She was a very intelligent and altruistic woman. Very dedicated and compassionate. On the 2nd of June when I couldn't hear from my daughter in Muncie Indiana, Oforiwa helped in search of my daughter and found out she had died. She was calling to check on me always only for her to follow Charlotte on the 20th of June, this is a slap on both cheeks. May the angels lead you to paradise to rest peacefully in the bosom of your maker. Please take care of Charlotte till we meet again
