“ *I met Betty years ago at a Hair Salon on Eight Mile. We enjoyed discussing the novels we had read. She was there for me when my sister died six years ago. I was saddened to hear of her passing. My condolences to the family.*

“ Betty Lou as we knew her at Lincoln Institute High School was a very spirited person and was never at a loss for words. At Lincoln she was a high energy cheerleader and the fans loved her. My wife Wanda and graduated with her and have been friends with her over the years. It was a shock to lose her right after our school reunion this year and she still had that feisty spirit about her. We will miss her and we pray for the family in the passing of one of our beloved dear friends.

“ The special people in our lives are never really gone, they have a cherished place in our hearts where they will always be remembered for the love they shared and happiness they brought. We were best friends and the wonderful times we enjoyed will remain in my heart forever.
