“ *Liz and Linda created a beautiful home and life together with food, flowers, plants and most importantly Love. Liz had a great sense of humor. She could have you laughing in seconds with that look in her eyes and a slight smile. Even hours later after the moment was gone, she would give you that look and the laughter would start back up again.*

I will always see those eyes and smile...And remember to laugh(...again and again).

Thank you Liz :)
