I feel so empty so bare and im still struggling... sometimes I smile as I think of you but more times than not the tears just come... they say you're in a better place but who really knows however I know God got you.. mama im hurting im struggling and I feel so alone in this world ... I've shut down from the world its like the biggest fight of my life I promise I won't fold I won't break but its hard without you just to hear your voice see your face I love you mama & I miss you dearly
