“ *Sweet Tenderness was purchased for the family of Elmos Baker.*

“ *Mr. Baker was one of the nicest people I knew growing up. I remember how proud he was too have build our front porch. He was always helpful to me and my family. The Baker family become my family. They were the first family we got to know, and enjoyed playing with in our new neighborhood, coming from the projects. Mr. Baker would always be there to lend a helping hand when he saw me struggling while working outside our house. He was the only black father that was in the same household with his wife and kids on our street. He loved his family, and stayed with his family. I know he will be missed by many.*
